Teacher Highlight! Kym Cunningham

Kym is one of our newer teachers. Her name sounds Chinese or maybe Korean but she is Australian. She's bubbly, positive and energetic.

Her students love her! Do you know she is a nurse? Kym is proud to say that she has been nursing for 16 years. She looks too young!

She has specialized in General Practice and Respiratory Medicine. (That's why she is an ex-smoker.) She also taught in Tangshan, China, with her husband for 9 months before coming to Cairns.

They have 2 kids – aged 10 and 11. I asked her why she loves teaching and she said it's because she can meet many new people from other cultures, and she can help people to reach their goals.

Kym loves travel, Chardonnay on Friday evenings, swimming, and reading.

She is also learning Mandarin. She says it's good to be a student too.

We love Kym!
